Description

HUGE KITCHEN 4 Private Acres, 7 Min to Town, WiFi, AC, Fireplace

Summer at the Red Cottage! Relax by the hand-built stone fireplace, watch the birds and wildlife from outside on the patio over bar-b-que. Complete privacy at this vintage cottage on 4 private acres. Enjoy a great cooking experience in the HUGE kitchen/ dining room addition, surrounded by windows so you can watch the wildlife roam and play outside.

Take your shoes off and get comfortable! The Red Cottage is a kick-back-and-relax kind of home. Simple but with special touches; cozy but accented common spaces that invite friendly get-togethers; private but not isolated. This warm and welcoming Woodstocky home is situated on 4 acres, just 7 minutes from town.

There are two cozy bedrooms, each with queen-size beds; one bath with a tub and shower combination; a large living room that boasts a vaulted ceiling, a hand-built stone fireplace, and a quiet nook for reading. There is a flat-screen TV with basic cable (and 3 movie channels!), WiFi, and air conditioning units for the warmest days. And this is a house with a sense of humor, as evidenced by the art you will find sprinkled throughout the home by the well-known artist-owners.

The cottage is original Woodstock, tastefully updated to maintain its quirky nature without sacrificing modern convenience. The large cook's kitchen with dining area is stocked with plenty of cookware and utensils, a 4-burner gas stovetop, separate large electric oven, and windows that wrap around the vaulted room on 3 sides for beautiful views of the outdoors every season of the year.

For outdoor enjoyment, we've provided two charcoal grills, an outdoor eating area, a hammock for lazing, and a fire pit for enjoying convivial evenings. You'll find special little spots all over the property for sitting, contemplating, or for playing outdoor games. This is a great house for families and close friends.

Dogs are welcome for a one-time \$35 pet fee.
