

# Silver Strand Lakehouse

## Summary

Our family's historic six bedroom and seven bath home on Cayuga Lake in the heart of the Finger Lakes near Ithaca, Watkins Glen, Geneva, Auburn

## Description

The view looking up Cayuga Lake from our property is what makes this so special. Every room in the house has a lake view.

The house features six bedrooms, seven baths and plenty of room to breathe. Five rooms feature queen beds, private baths and balconies made for unwinding. Endless lake views from your own private perch, guaranteed. Each room has it's own AC unit.

The kitchen? Chef-approved - large Sub-Zero fridge, four burner Viking stove with two ovens, opens up to a family room with seating and tv and out to a patio with a grill.

A ten-seat dining room keeps everyone gathered, and the cozy living room with a large screen TV keeps movie nights and game days easy.

Large wrap-around porch with multiple seating areas for happy hour, eating or just relaxation.

100 ft of beach front and 100 ft long dock provides ample room to swim, use your water toys, fish, lay out on the second story deck, sit with a bottle of wine enjoying sunset, or snuggle up and star gaze.

Relax on the property, or, explore the local area. We are in the middle of the Cayuga Lake and Seneca Lake Wine Trails and so many incredible hikes through gorges with beautiful waterfalls.
