Rippling Waters Stable Apartment

Summary

Rippling Waters is a one of a kind 400-acre paradise with a 12-acre Private Lake!

Description

Rippling Waters is a one of a kind 400-acre paradise with a 12-acre Private Lake surrounded by the essence of nature while tucked away in a small valley on a mountaintop. Our Catskill Mountain property is truly away from it all, so serene, and private that our retired horse Foxy roams free to seize the day as he pleases while our young horses greet him with their magnificent trot as he passes by. Hike miles of trails and savor our beautiful Lookout Point overlooking the Village of Delhi.

Lake access is included and only a short walk away!

Cool off with a Lakeside swim, explore the wildlife with a gentle boat ride, fish for your dinner or simply sit by the Lake..... slow the clock down while you reconnect with the essence of the natural wonders of Rippling Waters. So secluded yet only a ten-minute drive to the village of Delhi where you can enjoy the local cafes, peruse little shops, do a little yoga or take a walk back in time with Delhi’s historic architecture and more.
