A 3 bedroom, 2 bath home, located in town on the creek, within walking distance of 2 bars, 1 restaurant with live music, and a general store that serves breakfast, lunch, and ice cream. You can drive out of town to enjoy some of the many activities and then return, park your car and walk out for dinner and drinks. All of the excitement you want and then return to peace and quiet.

Come in the fall and enjoy the cool nights, the foliage, and the great fire pit. See photo. The three major areas for your daily activities are Lake George for lake activities and Saratoga for the horse track. Stony Creek Retreat is about 30 miles from Gore Mountain Ski Resort (North Creek) and several smaller ski mountains in the area.

The foliage in the fall in the entire area is some of the most beautiful anywhere.. You can spend the cooler evenings sitting by the great fire pit right on the creek. The screen house is right there also.
