

Serenity On The Waters Edge - 5 Min To Gore MTN

Summary

Year-Round Rustic Adirondack Waterfront Home on the Hudson River. The house is secluded on six acres of land amid hundreds of acres of woods.

Description

Rustic Adirondack Waterfront Home on the Hudson River: The house is secluded on six acres of land amid hundreds of acres of woods, so privacy and serenity surround you.

You are located in the heart of all the summer and winter activities and yet you can retreat to a world of your own. The quaint town of North Creek and Gore Mountain Ski area are just minutes away.

Things to do in the Spring and Summer:

There are several great rafting and whitewater outfitters locally but if your not interested in a guided tour, then drop a canoe or a tube in upstream and end the adventure downstream by pulling up in front of the house. If you want to cool off we have carved out a wading pool area in front of the house on the river where you can sit and cool. There is a little fire pit on the river and chairs to sit, in and just take in the water and mountain views. There is also a fresh water beach three minutes from the house for swimming fun.

Things to do in the Winter Activities:

You are five minutes from Gore Mountain Ski Area and the new Ski Bowl Park. Cross country skiing trail and hiking trails are minutes from the house. There is also a winter indoor water park 25 minutes away for some splish-splash fun. The house is centrally located within close proximity of Lake George, Great Escape, Water Parks, Horse Back

Riding, Kayaking, and Rafting. Great fishing on North Creek, Schroon Lake, Lake George, Indian Lake, Paradox Lake and more.

The house is a beautiful Lincoln Log home. It sleeps seven and has two bedrooms with a queen bed in each room (one room also has a futon), 3rd bedroom is an open cathedral ceiling loft with a queen bed. In addition, we do blowup mattresses and a cot. The house has two full bathrooms, a wood-burning stove, a library of DVDs and VHS movie tapes for your viewing pleasure (there are movies for the children, grown-ups and old-time classics).

We have a screened-in porch as well as an outdoor porch for you to sit and relax and watch the hummingbirds. The property also has a fenced-in yard for your pets. This is a dream spot to enjoy any activity you desire and build beautiful vacation memories for a lifetime. Full House
