Description

Watch our video tour and picture yourself at the water's edge in a peaceful, private, beautifully scenic cove on pristine Trout Lake, one of the true gems of the Adirondack Region. Spanning 141 feet, the hand-laid stone and masonry waterfront and wooden decking offer spectacular views and a wonderful place for swimming, sunning, hot-tubbing, cooking out on a waterside fireplace/grill, or just plain relaxing in the shade of the beautiful pines. A runabout motorboat, 2 kayaks and a canoe are there for you to enjoy the crystal clear lake, lined with countless coves and freckled with islands. One-third of the lake is forever wild and features a 1,600 acre state park that is great for hiking and exploring. The lake is stocked annually with a variety of fish including rainbow and lake trout, large and small mouth bass. Perch and rock bass naturally abound so there is great fishing for the kids too. You are only an hour's drive from the high peaks region and 50 min. from some of the best white-water rafting in the US. Completely refurbished in '05, this traditional Adirondack log cabin has a cozy kitchen with all the amenities, a charming and bright great room with hand-hewn beams, a fieldstone fireplace, antique and leather mission furniture, oriental rugs, and a glassed and screened area for dining and games. With 4 knotty-pine bedrooms, it sleeps up to 10 in beds, with room for two more on a pull-out couch. The waterfront features a hand-laid stone and wooden deck with terraced steps right to the water level, a children's wading area, and a wood-fired, cedar hot tub (brand new in 2015), just a few feet from the water's edge. It is a peaceful and private setting nestled in a pristine cove on a truly beautiful lake. Come stay at Rustic Lodge. You'll have a great vacation, filled with fun, rest and

relaxation, and memories that will last a lifetime. WATCH OUR 3-D TOUR! Experience what is like to vacation in our lakefront home. Click Here: <https://my.matterport.com/show/?m=h5zUCW9te54&brand=0>
