Description

A HOME COMPLETE WITH IMAGINATIVE DETAIL

Thoughtfully designed to elevate every moment of your stay, Glasco Woodstock treasures the uniquely historic while relishing in modern luxuries. The home dates back to the mid-1800s when Woodstock began to attract artists, actors, dancers, musicians, and circus performers on a quest for open space where they could further develop their craft. Converted from a barn in the 1970s, the home now pays homage to Woodstock's past, while offering guests a design-forward, home-away-from-home experience.

Glasco Woodstock is situated at the end of a long private drive, upon 16 sprawling acres with unobstructed views of the infamous Overlook Mountain. On the property envision old stone walls, hammocks strung between tall trees, and stars reflecting off the pond. No matter the season, adventure awaits: admire autumn's display of colors on the mountains, bundle up for a walk among snow-covered pines, or dip your toes in the private stream after a sunny afternoon hike.

The home sleeps 16 guests, has 5.5 bedrooms, 7 beds and 3 bathrooms; with 4 deluxe bedrooms and a child loft in the main house, plus a studio space accessible by a stone path which is included for parties of more than 11 guests or may be added for an additional fee. The house features a rustic-styled, sun-drenched kitchen connected to a large dining area; three fireplaces which provide cozy warmth on winter nights; and a spacious living room with

thirty-foot ceilings, vast windows and skylights inviting you to connect with the lush surroundings. Take in stunning views of Overlook Mountain from the outdoor fire pit or relax in a bubbling hot tub to unwind and admire the night sky.

ENJOY MODERN LUXURIES WHILE RELAXING IN NATURE

There is wifi throughout the house, a Sonos sound system in the living room and four bedrooms in the main house, heat and A/C, and a washer and dryer for any laundry needs. Bring home produce from local farms and play chef in a rustic, sunken kitchen which is fully equipped with a double stack oven, a gas stove-top, a KitchenAid mixer, an OXO Coffee Pot, and pantry essentials including an assortment of local teas and coffee. Grill on the outdoor patio with a combination gas/charcoal grill.

DREAM-WORTHY BEDROOMS EACH DELIGHTFUL AND HISTORIC

Each bedroom has its own unique charm, whether it's a tall brick fireplace, stunning stained glass artwork, or a view of our sprawling property.

Linden King - A king-size suite, upstairs on the West side, featuring stunning views of Overlook Mountain, a fireplace and an adjoining Master Bath with a large shower, heated floors and a secret passage to the Brooks Loft.

Avery Suite - Upstairs on the East side, a full-size suite with an attached bathroom with a shower and tub.

Campbell Queen - A queen-size bedroom, with a shared bathroom, on the main floor, at the North side.

Dalton Standard - On the South side of the main floor, equipped with both a queen and twin size bed, making it a perfect space for small families.

Brooks Loft - Connected to the Linden King via a secret bathroom door, guests can find a loft overlooking the Living Room with a twin-size bed perfect for children.

Glaser Studio - Perhaps our favorite spot to sleep, this studio space welcomes unrivaled views of Mother Nature's handiwork. The Glaser Studio is separate from the main house and is accessible by a 200 foot stone path. The studio features a queen bed and a pull-out sofa, and provides heat, A/C, WiFi as well as a screened porch. Bathroom is in the main house. (The studio is only included for reservations with 11 guests or more. Ask about adding it to your reservation for an additional cost.)

A Pack n' Play is also available for the littlest dreamers in your group.
