

## Overlook on 5th - Entire Home Summer

## Summary

Welcome to the Overlook on 5th, one of Inlet's best-kept secrets.

### Description

This 5 bedroom, 3 full bathroom, 2 kitchen home is nestled in the heart of Inlet, NY - sitting on the channel between 4th & 5th Lake, this home has access to all of the area's attractions while maintaining the peace and serenity of a cabin in the woods.

In the Summer, the entire home must be rented by the week, Friday - Friday. For the rest of the year, this home can be rented separately; upper, lower or both. The Tree House is upstairs with 3 bedrooms, 1 full bathroom, a fully equipped kitchen, great room with a propane fireplace, laundry and a screened-in porch, overlooking the lake.

Downstairs you'll enjoy The Cottage which has a master suite with a propane fireplace, a kitchen, a living room with another propane fireplace, a second bedroom with a king and a screened-in porch, overlooking the lake. If you are looking to book either the Tree House or Cottage separately, please find the specific page related to that property for availability.

Right on the lake, enjoy the beautiful deck with propane grill, fire-pit, sand launching area for kayaks, canoes and paddle-board and dock for your boat. Being centrally located, you have the advantage of walking to everything in town.

The Town of Inlet is rich with things to do and places to visit. We have the Adirondack's best gelato at Northern Lights, shops galore, a grocery store, an Ace department store, a bookstore, 2 coffee shops, the very famous Pine Bakery and some wonderful restaurants. At Arrowhead Park, you'll find a lakeside boardwalk, beautifully manicured

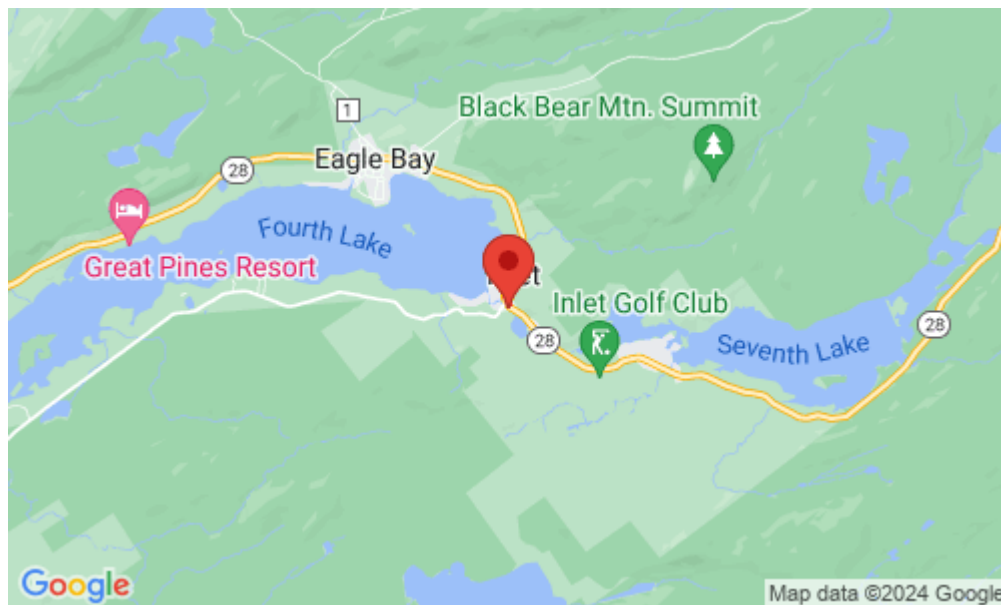

beach, tennis courts and children's playground. At Fern Park, you'll find easy hiking trails, in the Summer, a pickle court, and in the Winter an ice skating rink and beautiful sledding hill.
