

# Condo w Modern Cabin Style near hiking and Hunter Windham Ski Resorts

## Summary

Great spot to relax after a day of adventure!

## Description

Enjoy this mountain condo newly renovated by HGTV designer! Nestled within 11 minutes of both Hunter and Windham Mountains, there's no better location in the Catskills. Within 5-15-minutes are countless hiking trails, lakes, kayaking, fishing streams, mountain biking, golf, amusement parks, and of course skiing/snowboarding and tubing.

This condo is all about finding comfort and relaxation after a day of action and adventure. The living room features a wood-burning, stone fireplace and a full wall of windows and a sliding door overlooking birch trees, mountains and a pond. The private back deck is the perfect spot to enjoy a warm drink or cocktail while watching the sunset and then gazing up at the stars by night.

The condo features a private entrance with a keyless lock, making check-in and check-out simple. The grounds have a pool, BBQs, lawn games, fire pits, etc. You won't find a better location for a long weekend or extended stay than this beautifully appointed home. Discounts for extended stays. I'm newish to vrbo but have stellar reviews and ratings on airbnb. My goal is to be your favorite host.
